## **DETAILED ACTION**

### ***Claim Objections***

1. Claim 20 is objected to because of the following informalities: line 3, "the first elongated housing" should be --the first elongated housing section--.

Appropriate correction is required.

### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this

Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 20 is rejected under 35 U.S.C. 102(b) as being anticipated by Bryson (US 4,610,394).

Bryson discloses all the recited elements of the invention including a plastic elongated housing member including a first elongated housing section (e.g., 41) and a second elongated housing section (e.g., 43), at least one latch (e.g., 103, 107), an inner cavity (e.g., 17) defined by housing sections, an open housing end (e.g., at 19), a closed housing end (e.g., at 25), side walls (e.g., 15), at least one inner rib (e.g., 113, 115), and a lid (e.g., 23) being capable of a closed position and an open position.

### ***Response to Arguments***

4. Applicant's arguments with respect to claim 20 have been considered but are moot in view of the new ground(s) of rejection.

***Conclusion***

5. The examiner respectfully suggests to claim a combination of an opener and specific structure of an ampoule in relation to the opener for breaking a tip portion.

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
